

Firming Night Treatment

anti-aging night cream for dry, sensitive skin

PRODUCT FACT SHEET

packaging size	product pH level	product should last
1 oz jar	Neutral	2-3 months

primary benefits

Ultra-rich night cream firms the skin, reduces the appearance of fine lines and wrinkles and provides intense moisturization while you sleep.

points of difference

Firms the skin through multiple pathways. Provides both long-term and short-term moisturization with Shea Butter, Hyaluronic Acid and Barley Extract. Palmitoyl Tripeptide-5 and Palmitoyl Tetrapeptide-7 work together to strengthen the skin and improve firmness and elasticity.

who benefits

Skin of all ages. Mature skin, dry skin and sensitive skin types especially benefit from this product. Not suitable for oily and acne-prone skin.

how to use

In the evening, smooth a small amount onto a freshly cleansed face after applying all other treatment products. Avoid eye area. Reapply to dry areas as needed.
